Guiding a Path to Treatment

**Supporting initiation and
continued access to JIDEYTRO**

Nuvalent Patient Support can help minimize patient access barriers by navigating insurance requirements, identifying potential financial assistance resources, and providing education about therapy for patients.

This guide is for informational purposes only.

Nuvalent Patient Support is Here to Help

Our team is committed to helping patients receive their prescribed medication as quickly as possible and supporting them throughout their treatment journey.

Patient Assistance Program*

Provides eligible patients who are uninsured, underinsured, or who may not be able to otherwise afford JIDEYTRO access to their medication at no cost if they meet certain financial criteria.

Quick Start Program*

Provides newly prescribed eligible patients who are experiencing a coverage/insurance delay with a temporary, no cost supply of JIDEYTRO.

Bridge Program*

Provides eligible patients who are already taking JIDEYTRO a temporary, no-cost supply of medication if they are experiencing a coverage gap or delay.

Copay Assistance Program^{†,‡}

Commercially insured patients prescribed JIDEYTRO may pay as little as **\$0** out-of-pocket costs. Patients do not have to be enrolled in Nuvalent Patient Support to sign up for the Copay Assistance Program.

Visit [NuvalentPatientSupport.com](https://www.NuvalentPatientSupport.com) to access more information on the financial assistance programs and to enroll your patient.

*Please see the Patient Assistance Program, Quick Start Program, and Bridge Program terms and conditions.

†Please see the Copay Assistance Program terms and conditions.

‡Patients covered by Medicare, Medicaid or any other state or federal government-funded plan are not eligible for the Copay Assistance Program. Maximum program benefit per calendar year applies.

Enrolling Your Patients in the Program

OPTION 1: Complete the form online

Fill out and submit the enrollment form online at NuvalentPatientSupport.com.

Note: the prescription for JIDEYTRO needs to be faxed or submitted as an electronic prescription separately.

OPTION 2: Download, complete, and submit the form

Complete the form with your patient, then fax, email, or mail it to Nuvalent Patient Support.

- Please be sure to provide an electronic prescription, if mandated by your state
- Attach both sides of the patient's insurance card(s)

Obtaining patient consent

Patient signatures are required to complete enrollment. They may sign the physical form or visit the patient portal to sign online.

If you are unable to obtain a patient signature, Nuvalent Patient Support will reach out to your patient via phone or email to obtain this signature. Let your patient know to expect this communication from Nuvalent Patient Support in order to complete enrollment.

Nuvalent Patient Support can perform a benefits verification[§] and provide information about:

- Your patients' therapy coverage
- Prior authorization[¶] requirements
- Appeal[¶] process
- Patient's cost responsibility

You can access sample Letters of Medical Necessity, Medical Exception, and Appeal at NuvalentPatientSupport.com/Jideytro/hcp-resources.

For additional support obtaining coverage for your patients, template letters are available for your use.

[§]Verification of benefits is not a guarantee of payment and does not take the place of written policy information. Healthcare professionals should carry out their own benefits investigation, as necessary.

[¶]Nuvalent Patient Support does not complete forms or appeal denials of coverage on behalf of healthcare professionals and cannot guarantee success in overturning a payer denial.
